

We Should Have Been Content

Leader:

If He had rescued us from Egypt, but not punished the Egyptians,

All:

We should have been content!

Leader:

If He had punished the Egyptians, but not destroyed their gods

All:

We should have been content!

Leader:

If He had destroyed their gods, but not killed their first-born,

All:

We should have been content!

Leader:

If He had killed their first-born, but not given us their property,

All:

We should have been content!

Leader:

If He had given us their property, but not divided the Red Sea before us,

All:

We should have been content!

Leader:

If He had divided the Red Sea for us, but not drowned our oppressors,

All:

We should have been content!

Leader:

If He had drowned our oppressors, but not supplied us in the desert for forty years,

All:

We should have been content!

We Should Have Been Content

Leader:

If He had supplied us in the desert for forty years, but not brought us to Mount Sinai,

All:

We should have been content!

Leader:

If He had brought us to Mount Sinai, but not given us the Torah,

All:

We should have been content!

Leader:

If He had given us the Torah, but not brought us to the Land of Promise,

All:

We should have been content!

Leader:

If He had brought us to the Land of Promise, but not built us the temple,

All:

We should have been content!

Leader:

If He had built the temple, but not provided permanent salvation,

All:

We should have been content!

Leader:

But, Praise the Lord! God provided permanent salvation through the sacrifice of our Messiah, Jesus Christ!

All: Amen!
