Facts about Scripture

Definition

“The clarity of Scripture means the the Bible is written in such a way that it is able to be understood, but right understanding requires time, effort, the use of ordinary means, a willingness to obey, and the help of the Holy Spirit; and our understanding will remain imperfect in this lifetime.”

“But how can they call on him to save them unless they believe in him? And how can they believe in him if they have never heard about him? And **how can they hear about him unless someone tells them?** And how will anyone go and tell them without being sent? That is why the Scriptures say, “How beautiful are the feet of messengers who bring good news!”

Romans 10:14,15
